Gear will also be available for purchase at these days.

Coaches and New Coaches, will be given demonstrations on how to set up and run a coaching session on these days. The Club will also be providing courses during the year for our club coaches.

### Soccer Gear Purchases

### Get a mate to join

If your child has a mate who would also like to play, we would encourage you to refer them to the online registration process and bring them along on the information days. The more children we can get to play our great game will make it a more wonderful experience for all involved.

And to all the Mums and Dads, we would also encourage you to put your hand up to coach and manage a side. The club will provide you with all the support and training that you may require.

### Old Soccer Boots

If you have boots which your child has out grown and would otherwise be gathering dust, could you please bring them to the registration days, so they may be recirculated.
