Under 10's Report

The Under 10's have two new players this year who are settling in well. Welcome to the team Joshua Kirkwood and Adam Briers. The rest of the team have been playing together for a few years now and are starting to find their positions and develop good combinations on the field.

Charlie Johnson, Taine Black and Tyler Sweetman are developing well as forwards and are continuously running into spaces and learning to pass the ball to each other. This has enabled them to score some great goals.

Corey Orchard, Ben Sephton, Levi Flower and Adam Briers are our halves who are good at intercepting, attacking and defending in the middle of the field. Sometimes the halves have been breaking away to score goals of their own.

William Knight, Joshua Kirkwood and Brendan Winter are our backs who are enjoying the freedom of playing on a bigger field this year and having room to put their boot to the ball. Our backs have even scored some cracking long distance goals. Will has been used as an attacking fullback with great results.

We don't have a specialist goal keeper at this stage, so all players have had a turn in goals. The boys are looking forward to developing new skills and enjoying the rest of the season together. We have a great turn out of supportive families and friends each week which spurs the boys on even more. Thank you for your support.
