### Competitive Results

Last weeks scores – update  
18's had a bye this week

#### **Premier League won 3-1 against Wingham Warriors**

With 10 places between Wallis Lake and Wingham on the first grade ladder, plenty were thinking this game would be a one sided affair but the Warriors turned up prepared and eager to secure an upset. Wallis was keen to impress and from the start dominated play across the pitch with a quality display of their passing game and fast attacking style.

Paul Chipperfield was awarded man of the match for his hard work in defence.

#### **Reserves won 8-1 against Wingham Warriors**

Reserves continued their winning form by slamming their opponents this week. The Wallis Lake side are currently unbeaten in all 12 games and have averaged seven goals a game in the last month.

Hat-tricks by Chris Richards and Ethan Perry gave Wingham little hope and the solid defensive work by Sam Ravell earned him man of the match.

### Match Report

#### **35's won 5-0 against Green Point**

A well-played and well-earned victory, as good a performance this season so far. A timely hat-trick from the globe-trotting Steve Panos and a brilliant best goal of the season so far from the ever present Anthony Paine, summed a great team performance. With this blend of last year's stalwart players and a very welcome new squad editions, we are experiencing a season of unity and competitive spirit, with the best yet to come. Cheers lads.

A very grateful coach and friend, DOC.

### Thanks Coaches and Managers

Thanks for sending in the match reports of our soccer players. We are all interested in hearing how our children are enjoying football, improving their skills and making friendships.

## Planning 2015

The club is planning now for the 2015 season and would like as many players, coaches, parents and other interested parties to come to Boronia at **11.00 am** on **Saturday 26 July** for 45 minutes to an hour and discuss ideas for developing the club for the 2015 season and beyond. This 'think tank' session could involve and be not limited to

- How do we recruit more players to the club in 2015 at both junior and senior levels?
- What did we do well in 2014 – What can we do better?
- Who would be interested in lending some time for 2015 – For Committee Positions/General Club Administration/Club Registrar/Web Manager/Canteen Duties etc...?

If you are unable to make the meeting please feel free to email your thoughts to Kevin at [greatlakesufc@footballmidnorthcoast.com.au](mailto:greatlakesufc@footballmidnorthcoast.com.au)

## Under 9's Match Report

Fresh back from holidays, we were ready to play soccer at our home ground.

Unfortunately our coach Jeff couldn't make it, so Tony stepped in – thanks for that Tony, it was very much appreciated.

The team headed onto the field and into their positions. The whistle blew and we were underway. It took almost the whole first half but we finally got one in the net – Cooper scoring our one goal. The opposition responded with force and kept the ball away from their goal end for the rest of the half. Jackson, in goal, made some unbelievable saves and the tackles everyone was making were hard. We finished first half one up and looked forward the next half hoping for a win.

Second half saw Cooper in goals, again making some incredible saves. Meanwhile

the opposition kicked back and scored an equaliser. We were not willing to settle for a draw and put up a fierce fight however so did our opposition and the intense play started to take its toll. With injuries and free kicks going to both teams, it was a miracle no goals were scored. Our defence was excellent and held. Our teamwork was exceptional. The effort put in was one of the best and in the end, we drew 1-1. Player of the match went to Jackson and Caylah. Keep up the good work Vikings You obviously have been watching the pros in the world cup and learning something from them!
