Under 6's Profile

Under 6's have 18 registered players, just fantastic. Thanks to all parents for bringing them all to training and to the games. We have huge support every weekend. Great to see a few players from last year return and always wonderful to have new faces. We can see a lot of potentially great players in these little ones and they are getting more skilled as our games go on. Something we are doing at training must be getting through. Thanks again to all the parents for your support, they couldn't do it without you. By Lesley Campbell

Under 9's Match Report

July 21 versus Tuncurry Tigers White Round 12

It was freezing on Saturday, but that didn't stop the Vikings. Parents were all rugged up so they could brave the elements to give the team their support, for which we are extremely grateful.

We were heading into battle with one of our closest rivals, Tuncurry. The game started. Tuncurry took a couple of shots at goal but Ellie (our 1st half goalkeeper) surprised them with some wonderful saves.

We were fairly evenly matched but Cooper made a break and scored the first goal. Things really started rolling and, even when things seemed to go against us, everyone kept their heads up and encouraged each other.

Half time was called and everyone ran off to find their jackets to stay warm. We had a half time talk by our super coach Jeff. The game restarted and so did the wind, this time with some rain, but it didn't stop us.

Jai took a run up field and scored an unexpected goal! It was two all, when Jackson made a break and scored a goal, world cup style.

This put us in the lead. It was 3-2 but we weren't willing to win by one point! Brady made a run up field and scored another great goal. Finn, in goals for second half, made some awesome saves with what seemed like such little effort.

Maiko, Jayden and Kayne were great in support play and Caylah's passing was fabulous. It was great to see all the goal celebrations and the excitement on the sidelines. We came off the field exhausted but in high spirits.

All in all we won 4-2. Everyone played so well that it was hard to pick player of the match. In the end we had three - Ellie, Finn and Caylah. Keep up the hard work and goal celebrations. By Josh Hore

Under 11's Match Report

On a freezing cold Saturday, the teams from Hallidays and Great Lakes showed up to play what was an exciting game of soccer. In the first half Olivia, Trinity and Darcy had a blinder of a game up the front of the pack resulting in a goal from Olivia. Meanwhile, Kirra Lee, Eden, Kentali and Kate did an awesome job defending and helping Leila in goals. At half time we were ahead, 1 nil.

In the second half, the girls were full of excitement and ready to go back out on the field and smash Hallidays. Trinity, Kirra Lee and Darcy were up the front and played their hearts out, resulting in Darcy scoring another goal.

Kintarli, Moriah, Ruby, Kate and Emma (goalkeeper) played as if their lives depended on it defending our goal and keeping the other team to a nil score.

The games was evenly matched and kept our parents and other spectators on their toes with many parents praying for the whistle to blow!

We won our first official game of the season 2-0. Well done to all the players – you played your best and are all deserving of Player of the Match. Kirra Lee was our Player of the Match. By Moriah Hore.
