### Competitive Results

Last week's scores

**18's** won against Tuncurry Tigers Gold in a penalty shoot-out. Tuncurry took an early lead but with eight minutes on the clock the Vikings levelled the score. At full time the score was 1-1. Extra time still couldn't decide between these two sides. The Vikings won the penalty shoot-out 6-5. The 18's now move straight to the Grand Final.

### **35's Grand Final**

Last Friday the 35's lost to Pacific Palms 3-2 in extra time. They had a great season but just got pipped at the post. Congratulations to you all!

**Reserves** won 2-0 against Macleay Valley Rangers.

In a convincing performance in poor conditions, the boys from Forster came away with the win to advance into the major semi-finals this weekend. The boys will now play Port United at Boronia Park this

Saturday at 12.45 pm for a spot in the grand final.

**Premier League** had the weekend off as minor premiers and took their place on the sideline to support the reserves. Following the reserves game this Saturday first grade will verse the Macleay Valley Rangers for a spot in the grand final.

Great Lakes United Football Club invites everyone to come out to Boronia Park this Saturday to get behind the local Forster side and support their push for a spot in the grand final.
