### Under 11's in focus

We would like to profile a team each week, this week starting with the U11's. This side is a girl's team and they have been having fun, playing well and competing. They have also been helping out as Ball Girls with the Premier League on a Saturday afternoon. With Doc at the helm of this enthusiastic team and from seeing where he has got the 35's, there is sure to be plenty of good results.
