World Cup Brazil

On Saturday 14 June, our club will be having a BBQ breakfast to watch Australia v Chile. We will bring a TV down to the clubhouse so we can all watch the action. It will also be a great opportunity to watch some of our Juniors who are playing at home this week. Then followed by the Premier League who play in the afternoon.

Pizza and Bowling

Remember the Forster Ten Pin Bowling are having a bowling and pizza night every Friday from 5.00 pm to 8.30 pm. You get two games of bowling and all you can eat pizza for \$20. Sounds like a great night out. Be sure to get down there and support our sponsor and have lots of fun.

Under 9's

Round 6 versus HP Barracudas

Another great game on the weekend. Whilst the other team had a better score on the day – you kept your heads up and played to the end.

Both Sam and Cooper made some awesome saves whilst in goal and there was some great goalkeeping.

There were some great attempts at goals by all and it was good to see you work as a team. We saw some great defence in turns that protected the ball.

Players of match went to Cooper and Kayne. There was a great effort put in by all players.

It was good to see you all kept your emotions in check again when the score line was against you. Remember to practise at home in order to continue to improve. All the great soccer players still train and drill on the basics every day.
