Thanks to the coaches for sending in your game reports. You are doing an awesome job. Please keep sending them in.

World Cup Brasil

It was great to see a healthy crowd down at the field to watch the Aussies' take on Chile. The bacon and rolls went down a treat. And what about Tim Cahill against The Netherlands. Going off! The next match against the Spanish could see us leave the group stages with points. Good luck boys!

Under 9's

June 14 versing HP Barramundi

We had a great match last week. Especially as Australia was playing Chile in the World Cup at the same time as we were playing, maybe some inspiration for us.

But what really made this match special was the fact that there was a lot of teamwork and everyone put their bit in.

Our goalkeepers for this game were Jayden and Jai and they made some awesome saves. Our Hat trick hero was Cooper with his 3 goals in the first half and in the second half Jackson scored another goal.

What was great to see, was the goalkeepers not having to do all the work as our defence stepped up before the ball got to the goalkeeper. It is good to see the boys passing to Ellie and Caylah and the girls are really getting in, having a go and not being afraid of the other team's players.

Kayne had an awesome game and seemed to be in every play of the ball, with Brady and Finn in support. Great to see Finn having a go at goal scoring too!
